

# One Year Health Guarantee for Hips Heart and Eyes For Loyal by Nature Puppies

This **HEALTH GUARANTEE COVERS HIPS, EYES & ENLARGED HEART AND IS GOOD FROM THE DAY YOUR PUPPY WAS BORN TILL ONE YEAR OF AGE.** After **ONE YEAR, THIS HEALTH GUARANTEE IS Void.**

Every puppy must see a licensed veterinarian within 10 days from leaving **Loyal by Nature Puppies** or the health guarantee is void.

Listed here are a few examples that do not apply and are not covered within this health guarantee are as follows but not limited to; crypt orchids, left, right or both this means any male puppy that has not dropped either or both testicles at the time he was given his 5-7 week check; any skin infection like lice or mange that may occur after your puppy leaves **Loyal by Nature Puppies**, is not covered. Fleas or parasites of any kind, internal or external are not covered; you must keep up with these monthly treatments. Any diseases the puppy might pick up after leaving **Loyal by Nature Puppies**. You must vaccinate your puppy with the appropriate vaccines at the appropriate time and age of the puppy.

Please know that all puppies can have worms or internal parasites. We deworm regularly and to the best of our knowledge, your puppy has no parasite issue. However, if your puppy has any parasites, this does not mean that your puppy is unhealthy. . .it just means that you must keep up the treatments that your veterinarian gives the puppy or recommends.

If your puppy develops a poor level, past fair, of hip dysplasia, you must provide this hereditary and not caused from being overweight or an injury of any kind. Your puppy must be examined by a licensed veterinarian & the weight of the puppy must be listed on the report along with the age and date of the exam. You must have an OFA or Penn Hip report completed to accompany your veterinarian exam report.

If your puppy is developing cataracts, you must prove this hereditary and not caused from an injury of any kind. You must have a written statement from your licensed veterinarian stating this.

If your puppy has an enlarged heart or heart murmur where it needs to be euthanized, you must have a written statement from your licensed veterinarian stating this.

If your puppy has failing hips, an enlarged heart where the puppy must be euthanized or has hereditary cataracts, I will replace your puppy with another puppy of the same breed & gender from the first available litter.

If the puppy is resold to another party other than who I sold the puppy to or at a different residence from where my records indicate the puppy was to go to, this health guarantee is void immediately.

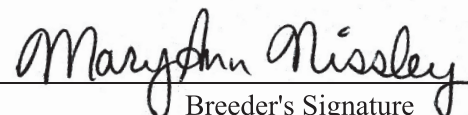

The goal here at **Loyal by Nature Puppies** is to provide you with a healthy puppy that will stay in your family for years to come. We don't want to see your puppy with a health issue anymore than you do. If your puppy develops any type of health issue, please contact us so that we are aware of it.

By signing, both buyer and the seller agree to use honesty and trust, and have read and understand this health guarantee.
